Greetings from GITS, Udaipur!

At the outset, I would like to congratulate the Department of Civil Engineering on signing the Memorandum of Understanding for exchange of knowledge and technology and establishing the Centre of Excellence in collaboration with Ultratech Cement Ltd. on sustainable building materials. This CoE will provide industry-oriented capacity building that shares the best practices, research and developments in the field of civil engineering and enable us to raise training standards and address emerging skill gaps by aligning training & research needs as per industry requirements.

It is our earnest endeavour to not only promote the intellectual abilities of the students but also to impart skills and abilities for holistic growth that make them well-rounded individuals and citizens. The summer trainings and internships for various domains will be commencing soon after the exams and students are advised to make the best use of this opportunities.

Through this newsletter you will further learn about the recent accomplishments of the students and the staff's invaluable contributions for which I want to express gratitude for your unwavering dedication and commitment towards the growth and achievement of the institute in the previous year.

The new Academic Year for B.Tech will start on 17th August 2023 and I expect that the forthcoming year will bring with it newer challenges as well as opportunities for more collaborations and innovations to enrich our academic and extracurricular endeavours.

Director, GITS
