

GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

VISION

To achieve excellence in technical and management education through quality teaching and innovation.

MISSION

To provide an excellent learning environment to produce socially responsible and productive technical professionals.

To set up the state-of-the-art facilities for quality education and innovation.

To impart knowledge & Skills leading to shaping a budding manager as a quality executive.

To encourage for life-long learning and team-based problem solving through learning environment.

- AICTE-Idea Lab
- Center of Innovation and Incubation
- Business-Incubation Centre of MSME, Govt. of India

DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

I am overjoyed to inform all stakeholders that GITS has been approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India. This validates our tireless efforts to make the institute an ideal choice for aspirants by providing the necessary and high quality infrastructure, well-equipped labs, readily accessible library, smart classrooms coupled with contribution of competent staff members and many more facilities that are necessary to enhance the intellect and innovativeness of the students. I would urge you to take advantage of these opportunities and to actively contribute to the overall advancement of not just the institute but of society as a whole.

The college also witnessed the celebration of various days of International importance, like Environment Day, Yoga Day to raise awareness and proactive contribution of the student, faculty and staff displaying their creativity and collective efforts for the society and environment.

As we close for the academic year that has brought us many growth opportunities in innovation, research and record numbers of scholarly output, we shall aim at further improving our contribution towards meaningful and rigorous research and innovative projects in the next academic year and make a valuable impact in future. Our institute shall strive continuously for sustenance and enhancement of quality in every field of its activity to remain at the forefront of excellence. In coming month, we are eagerly waiting to new students in next academic year.

Dr. Narendra Singh Rathore
